
Coding Bootcamp

Assignment 1 Brief

Design of a Private School Structure

Trainer	Course
-firstName -lastName -subject	-title -stream -type -start_date -end_date
+getFirstName +setFirstName +getLastName +setLastName	+getTitle +setTitle +getStream +setStream +getType +setType +getStartDate +setStartDate +getEndDate +setEndDate

Assignment	Student
-title -description -subDateTime -oralMark -totalMark	-firstName -lastName -dateOfBirth -tuitionFees
+getTitle +setTitle +getDescription +setDescription +getSubDateTime +setSubDateTime +getOralMark +setOralMark +getTotalMark +setTotalMark	+getFirstName +setFirstName +getLastName +setLastName +getDateOfBirth +setDateOfBirth +getFees +setFees

You need to implement the following functionality:

- Produce the following web pages by sketching their layout using HTML/CSS and JavaScript [24 marks]
 - Add / Edit / Update Form for Courses [2 x 3 marks, total 6 marks]
 - Add / Edit / Update Form for Trainers [2 x 3 marks, total 6 marks]
 - Add / Edit / Update Form for Students [2 x 3 marks, total 6 marks]
 - Add / Edit / Update Form for Assignments [2 x 3 marks, total 6 marks]
- Produce the following web pages by sketching their layout using HTML/CSS and JavaScript [24 marks]
 - Add / Edit / Update Form for Trainers per Course [8 marks]
 - Add / Edit / Update Form for Students per Course [8 marks]
 - Add / Edit / Update Form for Assignments per Course [8 marks]
- Produce the following web pages by sketching their layout using HTML/CSS and JavaScript [6 marks]
 - Add / Edit / Update Form for Assignments per Student per Course [2 x 3 marks, total 6 marks]
- Add the required validations, e.g. size, input type, valid value etc. on the following forms [46 marks]
 - Add / Edit / Update Form for Courses [5 marks]
 - Add / Edit / Update Form for Trainers [5 marks]
 - Add / Edit / Update Form for Students [5 marks]
 - Add / Edit / Update Form for Assignments [5 marks]

- e. Add / Edit / Update Form for Trainers per Course [5 marks]
- f. Add / Edit / Update Form for Students per Course [5 marks]
- g. Add / Edit / Update Form for Assignments per Course [5 marks]
- h. Add / Edit / Update Form for Assignments per Student per Course [11 marks]

You need to submit all the produced files, e.g. .html, .css, .js in a zip file named by your_name_assignment_1_.zip
